

Golden Gate Fencing Center Inc
Mask policy
Acknowledgement of Health Risks

Golden Gate Fencing Center offers its youth fencers the opportunity to use club equipment for the first three months in any of its programs.

Fencing masks are one of the items that are covered in this policy. GGFC will assign a mask to a student for 3 months. That student is responsible for the care and maintenance of the mask during this time.

Once the student has purchased their own mask, the “loaner mask” will be returned to GGFC. Because of Covid 19 GGFC is following the strictest guidelines of the CDC and each returned mask will undergo the following:

- Each mask will be sprayed inside and out with sanitizer.
- Each mask will be wiped down with sanitizer
- Each mask will be put out of rotation for 72 hours or longer before being assigned again.
- In the case of a mask being used by a student who tests positive for Covid 19, that mask will be taken out of circulation permanently.

Parents can opt out of the club equipment program by purchasing their child their own personal equipment. GGFC can help parents find the appropriate equipment vendors if needed.

I agree to the Club Mask Policy:

I choose to opt of the club Mask Policy:

Name: _____ Name of Child: _____

Signature: _____ Date: _____
